

Summer 2009

Grays Harbor College students attending Adult Basic Education classes in Grays Harbor and Pacific counties will be charged \$25 per quarter. This state wide change in policy was recently adopted by the State Board for Community and Technical Colleges. This tuition charge will apply to Basic Skills/GED Prep, English as a Second Language, U.S. Citizenship, and Basic Computer courses. The \$25 tuition charge is per person, per quarter regardless of the number of Adult Basic Education courses in which the student enrolls. The tuition will be payable at the time of student registration. There is no reduction if multiple members of a family enroll in classes. In the past there were no tuition charges for these classes. Students who have specific questions regarding the tuition charge should contact GHC's Whiteside Education Center at 360-533-9733.
